PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

This Agreement will replace the existing Agreement between the District and the USCG for the Exchange of Emergency Medical and Rescue Services approved by your Board on February 10, 1987 (No. 57094). The USCG is now requesting that a new agreement be established between the District and the USCG.

This Agreement, informally referred to as a "first-response" form of assistance, will allow the two parties to provide reciprocal assistance based on proximity to an emergency incident regardless of jurisdictional boundaries. Additionally, this Agreement authorizes the Fire Chief and the USCG District Commander or designee to develop and enter into a Memorandum of Understanding (MOU) as a guide for day-to-day operations between the District and the USCG, and it also allows them to modify the MOU as changes in conditions occur.

Approval of this Agreement will enhance services to both agencies and to provide reciprocal assistance based on proximity to an emergency incident regardless of jurisdictional boundaries.

Implementation of Strategic Plan Goals

Approval of the recommended actions is consistent with the County's Strategic Goal No. 1, "Service Excellence," of the County Strategic Plan which guides us to "Implement programs to improve the efficiency, quality, and responsiveness of County services to all residents."

FISCAL IMPACT/FINANCING

There are no additional District costs involved in this Agreement.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

The Agreement will be effective the day it is approved by the USCG and shall remain in effect until terminated by either party. The Agreement supersedes Agreement No. 57094 dated February 10, 1987.

Nothing in the Agreement is intended to conflict with current law or regulation or the directives of the District, USCG, or Department of Homeland Security.

County Counsel has approved this Agreement as to form.

IMPACT ON CURRENT SERVICES OR PROJECTS

The Agreement will improve joint operations and response through the deployment of emergency personnel, such as personnel trained in marine search and rescue (SAR) and emergency medical responses, to emergencies involving injured mariners and SAR cases, including paramedic rescues and helicopter support.

ENVIRONMENTAL REVIEW

This Agreement is exempt from the CEQA pursuant to Section 15061 (b)(3) of the CEQA Guidelines because it can be seen with certainty that this activity will not have a significant effect on the environment. A Notice of Exemption is attached.

CONCLUSION

Upon execution by your Honorable Board, please instruct the Executive Officer, Clerk of the Board to return the following to this office:

- Two (2) copies of the Minute Order and this approved letter.
- Two (2) executed original and two (2) copies of the Agreement for Exchange of Emergency Medical and Rescue Services.

Upon your Board's approval, the District will forward the Agreement to the USCG for their approval, and after action by the USCG, will return one fully executed Agreement to the Executive Officer, Clerk of the Board.

Respectfully submitted,

P. MICHAEL FREEMAN

Revised October 1989

**AGREEMENT FOR EXCHANGE OF
EMERGENCY MEDICAL AND RESCUE SERVICES**

THIS AGREEMENT is made and entered into this ____ day of _____, 2007, by and between the Eleventh District of the United States Coast Guard, hereinafter referred to as the "USCG", and the County of Los Angeles and the Consolidated Fire Protection District of Los Angeles County, collectively hereinafter referred to as the "County". This Agreement replaces the February 10, 1987 agreement between the USCG and County.

WITNESSETH:

WHEREAS, the parties to this Agreement provide rescue services within their respective territorial limits; and

WHEREAS, it is in the best interest of the residents of the County and the USCG to provide the most expeditious response to render rescue and/or emergency medical aid to victims of accident or illness at sea, which is beyond the mean high tide line; and

WHEREAS, each party is desirous of providing to the other a reasonable and reciprocal exchange of service on a day-to-day basis; and

WHEREAS, this Agreement is authorized and provided for by provisions of the Health and Safety and Government Codes of the State of California and Statutes of the Federal Government;

NOW THEREFORE, in the consideration of these mutual covenants the parties hereto agree as follows:

I

The USCG agrees to provide designated fire and rescue services, as determined by the Fire Chief of the County and the District Commander of the USCG, to that area located within the jurisdiction of the County.

1 II

2 In return for the services to be provided by the USCG, the County agrees to
3 provide a designated emergency medical service and marine search and rescue
4 response as determined by the Fire Chief of the County and the District Commander of
5 the USCG to the areas off the Los Angeles County coastline, seaward Santa Barbara
6 and San Clemente Islands, and other seaward search and rescues in the area depicted
7 on the attached map.

8 III

9 Upon receipt of the USCG of an alarm within the USCG's jurisdiction as
10 described in paragraph II above, the USCG may dispatch its nearest and most
11 appropriate designated response to that alarm and if warranted, will also notify the
12 County Fire dispatcher who will in turn dispatch the agreed-upon response. The USCG
13 may also contact the jurisdictional Baywatch Rescue Boat directly via marine
14 emergency frequency Channel 16.

15 IV

16 Upon receipt by the County of an alarm within the jurisdiction of the County, the
17 County will dispatch its nearest and most appropriate designated response to that alarm
18 and also notify the USCG dispatcher who will in turn dispatch the agreed-upon
19 response.

20 V

21 The County and USCG intend that this Agreement will provide mutual benefits
22 to all parties and herein authorize the Fire Chief of the County and the District
23 Commander of the USCG to revise any designated areas or types of response
24 periodically as may be dictated by changing conditions and the requirements of mutual
25 benefits to all parties. It is agreed that substantial reductions of resources or
26 emergency medical or marine search and rescue forces by either party shall be cause
27 for reconsideration of this Agreement.

28 //

1 VI

2 Details as to amounts and types of assistance to be dispatched, methods of
3 dispatching and communications, training programs and procedures, methods of
4 requesting aid and the names of persons authorized to send and receive such requests,
5 together with list of equipment and personnel which will be utilized, shall be developed
6 by the Fire Chief of the County and the District Commander of the USCG. Such details
7 shall be recorded in a Memorandum of Understanding and signed by the Fire Chief of
8 the County and the District Commander of the USCG.

9 VII

10 In those instances where the aiding department arrives before the jurisdictional
11 department, the aiding department will take the necessary action dictated by the
12 situation. However, it is assumed that the jurisdictional department will arrive shortly
13 after the arrival of the aiding department. Therefore, the responsibility for coping with
14 the situation will be immediately assumed by the jurisdictional department upon its
15 arrival at the scene. The aiding department personnel will be under the direction of the
16 officer in charge of the jurisdictional department. It is further agreed that the aiding
17 department will be released from the scene as soon as practical by the jurisdictional
18 department.

19 VIII

20 It is mutually understood and agreed that this Agreement does not relieve either
21 party from the necessity and obligation of using its own resources for furnishing fire
22 and/or rescue services within any part of its own jurisdiction, and that the aiding party's
23 response to a request for aid will be dependent upon the existing emergency conditions
24 within its own jurisdiction and the availability of its resources.

25 IX

26 This Agreement shall not be constructed as or deemed to be an agreement
27 for the benefit of anyone not a party hereto, and anyone who is not a party hereto shall
28 not have a right of action hereunder for any cause whatsoever.

1 X

2 No party furnishing aid pursuant to this Agreement shall be entitled to
3 compensation for services rendered to the requesting agency, it being understood that
4 the respective covenants contained in this Agreement shall constitute the sole
5 consideration for such services.

6 XI

7 USCG agrees to indemnify, defend, and hold harmless the County, its agents,
8 officers, and employees from any and all claims, demands, liabilities, and expenses,
9 including reasonable attorney's fees, arising from the negligent or wrongful acts of
10 USCG in the performance of this Agreement. County agrees to indemnify, defend, and
11 hold harmless the USCG, its agents, officers, and employees from any and all claims,
12 demands, liabilities, and expenses, including reasonable attorney's fees, arising from
13 the negligent or wrongful acts of County in the performance of this Agreement.

14 XII

15 This Agreement shall remain operative and effective until participation is
16 terminated by either party. It is further agreed that either party may terminate this
17 Agreement at any time by giving written notice to the other party at least thirty (30) days
18 prior to the date of termination.
